

DRY CLEANING

Close and clean.

Permitted are:

- All people in the DC Tower
private clothes billed privately
- Companies in the DC Tower
Work clothes (uniforms, ...), table linen,
towels, curtains, etc.

Everyone can have their clothes cleaned in the DC Tower without having to go to the laundry. Just register and get started.

What is clesyclean?

clesyclean is an online service provider that works hand in glove with local dry cleaning companies. As of now over 300 office locations across Austria are serviced.

How it works.

Collection and delivery 2 times a week. Any articles (shirts, jackets, ...) subject to dry cleaning qualify. Clean and discreet handling with a personal clesyclean garment bag.

PARCEL RECEPTION

Have it delivered.

Everyone in the DC Tower can have their parcels delivered to the DC Tower P.O. Box, both private and company usage apply.

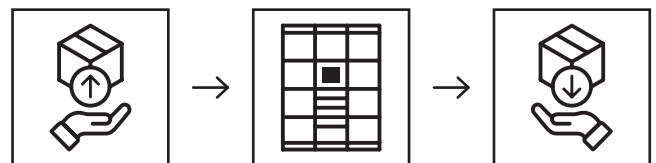

How it works.

After registering, please give your signature release authorization. The system suggests this to you right from the start. When ordering, the parcel station must be specified as the receiving address. Don't forget to fill in the Postbox ID in the address. You can find an example in the P.O. Box online portal.

TRANSFER ITEMS

Private and secure.

Anyone who is registered for parcel reception can make a person to person item transfer. This is an additional function of the P.O. Box.

How it works.

The item transfer can be handled in the online portal. You receive a storage code and after you have stored your item in the locker, the intended recipient receives a pick-up code by email.
